

Thursday, April 25th – 6:15 to 7:30pm

Professional Networking Seminar

Please join the YMF for a continuation of the Leadership Development Series on Professional Networking. The seminar will be presented by Mr. Robin R. Zoufalik, CPSM, President of RZ-tek Solutions, LLC. Mr. Zoufalik specializes in business development and professional training within the AEC industry. We are excited to have Robin share his experiences and advice on professional networking to our younger members! The event will be held at GAI Consultants, Inc. located in the Waterfront at 385 East Waterfront Drive, Homestead, PA 15120. It will be a FREE informal gathering. Also note that no food or drink will be provided so please plan accordingly.

We plan to gather at Rock Bottom in the Waterfront following the seminar to practice our networking skills!

Please email Mike Zerby at M.Zerby@gaiconsultants.com by Monday, April 22 to RSVP for the seminar, or if you have any questions. Seating is limited, and will be granted on a first-come, first-serve basis.
