April, 2018

Dear Colleagues,

On Saturday, September 22, 2018, the Pittsburgh Section of the American Society of Civil Engineers will proudly host its 100th Anniversary Celebration. The event will mark a century of dedication, engagement and commitment between ASCE and Pittsburgh.

The Celebration will be held at the Hotel Monaco, 620 William Penn Place, Pittsburgh, PA 15219. The evening will begin with a social hour starting at 5:30 PM, followed by a buffet of diverse foods at 6:30 PM. A brief recognition of dignitaries will begin at 7:30 PM and the festive mingling will then continue until 8:30 PM.

The evening will honor the accomplishments of the Section since its inception in 1918 and the thousands of professional engineers who have contributed to the construction, growth and legacy of this great city and its suburbia. Throughout the evening a slideshow will highlight civil engineering achievements of Western Pennsylvania. To slideshow will be based on our 100th Anniversary publication, which will be unveiled during our Celebration and authored by over a dozen civil engineers from current companies and agencies located throughout the region.

We are inviting your firm to attend and sponsor this centennial celebration of our profession. As the first months of 2018 are typically reserved for corporations and companies to establish their 2018 financial budgets, enclosed is a list of the sponsorship levels and benefits and general information on attending. As a corporate sponsor, you will be visibly recognized as part of this enjoy this wonderful networking opportunity. Further, you will be supporting one of the Pittsburgh based organizations responsible for construction of this great city and region.

Should you need further information or have questions about the event please contact me directly.

On behalf of our committee, I thank you for your consideration and look forward to celebrating with you the ASCE Pittsburgh Section's 100th Anniversary!

Very truly yours,

Pat

Patrick J. Sullivan, Jr., P.E.
