*Business Development Manager,*

*Lennon, Smith, Souleret Engineering, Inc.*

Jan Lauer

Pittsburgh Engineers Building  
337 Fourth Avenue, Pittsburgh PA 15222

**Open to members and non-members! Engineers and "non-engineers" are welcome!**

Jan Lauer is currently serving as the District Manager of the Allegheny County Conservation District, an organization that works to conserve, promote, and improve Allegheny County's natural resources. Jan has also recently held the position of Director, Program Development & Industry Relations, for the University Energy Partnership, where she brought industry and university experts together to solve business challenges and move new clean energy related technology into the marketplace.

For the prior seven years Jan served as the Director of 3 Rivers Clean Energy, an economic and workforce development initiative founded in 2006 with a mission to grow the energy industry in the southwestern Pennsylvania region. Before taking on this role, Ms. Lauer served for nearly eight years as Senior Vice President of the Allegheny Conference on Community Development, a private, non-profit leadership organization dedicated to improving the economy and quality of life of the Pittsburgh region.

Ms. Lauer also spent twenty years in corporate research. She held the position of Operations Manager for the Northrop Grumman Science and Technology Center and had the opportunity to build a new 150 person research lab. Prior to that she served as Operations Manager for the Westinghouse Science and Technology Center and spent many years as a scientist in the labs as well.

Ms. Lauer volunteers her time as President of Pittsburgh Region Clean Cities, President of Penn's Corner RC&D, and Vice President of Eastern Area Adult Services.
