

PITTSBURGH SECTION OUTREACH TRAINING

Learn what resources the Pittsburgh section has available for high school student outreach and how to use them!

When: September 18th 6-8pm

Where: HDR Offices, 11 Stanwix St. 8th floor,
Parking available under the building

RSVP: Linda Kaplan lkaplan@gfnet.com by
September 13th

Pizza will be served.

Outreach training is recommended for those interested in speaking to High School students about Civil Engineering. Taking the training does not commit you to any future events.
