

DFI & ASCE-GI Joint Meeting and Special Lecture:
*Investigation and Treatment of a "Swallowette" | Sinkhole
Remediation at the National Corvette Museum*

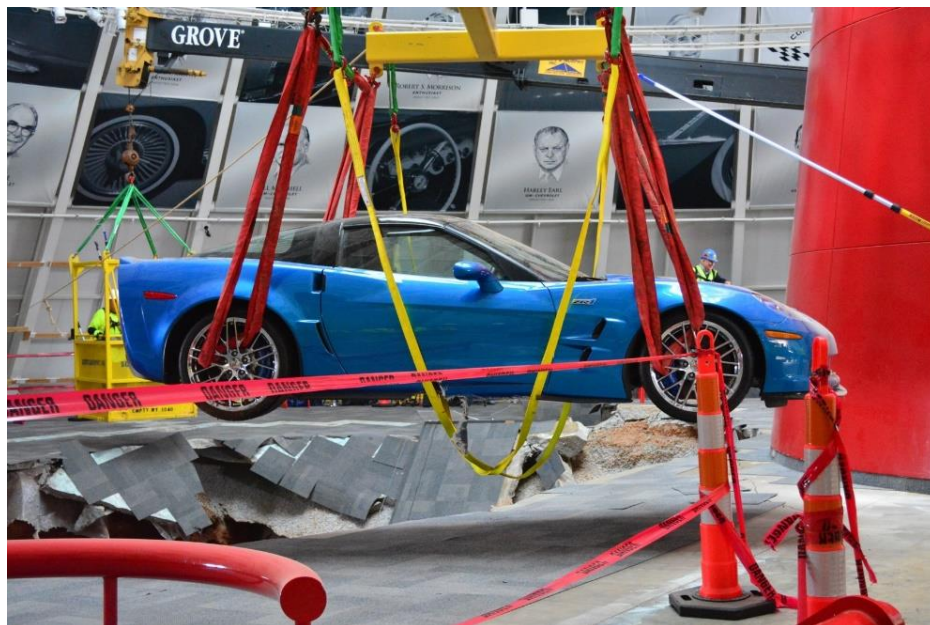

Thursday, September 24, 2015 | 6:00 p.m.

September 2015 Dinner Meeting

***Investigation and Treatment of a "Swallowette" | Sinkhole Remediation at the
National Corvette Museum***

Presented by Michael J. Marasa, P.E., BDM, Hayward Baker, Inc.

This presentation discusses various aspects of the sinkhole collapse at the National Corvette Museum in Bowling Green, Ky. The presentation gives due respect to the historical significance of the vehicles impacted by the collapse and includes bits of geology, history, engineering, anecdotes, photos, comedy, lore and an infatuation with America's sports car. Marasa has been published in *Civil Engineering* magazine and *Foundation Drilling* magazine and has appeared on the History Channel regarding this project. To date, he has been invited to make this presentation over 40 times.

Date: Thursday, September 24, 2015

Place: Engineers Society of Western Pennsylvania
337 Fourth Avenue
Pittsburgh, PA 15222
