Subject: Sponsorship for ASCE Pittsburgh YMF Winter Banquet

To Whom it May Concern:

The ASCE Pittsburgh Younger Member Forum (YMF) is hosting their Annual Winter Banquet on **Thursday, January 26, 2023**. The event will be held at the National Aviary, located at 700 Arch St, Pittsburgh, PA 15212, starting at 6:00 p.m. The dinner will feature a joint presentation by HDR, Inc. and The City of Pittsburgh regarding “The Fern Hollow Bridge Replacement.” The presentation will include updates on construction progress and design challenges, as well as a discussion of the impacts of this project from the City of Pittsburgh’s perspective. Attendees will have the opportunity to receive 1 PDH from this presentation. Furthermore, the YMF will also be hosting its annual food drive to benefit the Brashear Association. More information for this event can be found at www.asce-pgh.org.

Your organization is invited to share the spotlight with the YMF and help make this event successful. Various sponsorship levels have been structured to suit your commitment to this event, including exclusive event sponsorship, bar sponsorships, avian encounter sponsorships, and dinner sponsorships. These sponsorship levels are described in more detail on the following page.

This event has always been a great opportunity for organizations and their employees to network with young professionals in the Pittsburgh area. We hope that you will not only attend, but will consider sponsoring the event to help make it a success. Please see the attached sponsorship form and feel free to reach out to me with any questions or concerns at asceymfpgh@gmail.com.

Sincerely,

A handwritten signature in cursive script that reads "Jayne Marks".

Jayne Marks, PE
Treasurer, ASCE Pittsburgh YMF
